

September 27, 2018

We have taken strides to minimize the impact of the new 10% tariff implemented by the U.S. Government on September 24.

As per the letter that was sent out on September 21, 2018, we will be implementing an 8.5% price adjustment. The new pricing will be effective with all orders placed for immediate shipment received by November 5th. The increase will be on the following products/product categories:

- Vanities
- Combo Vanities (sold with top)
- Granite Tops
- Cultured Marble tops
- Natural Marble tops
- Mirrors (wood and aluminum)
- Medicine Cabinets (wood and aluminum)
- Laundry Cabinets (wall and floor)
- Wood Floor Cabinets
- Wood Linen Cabinets
- Wood Toilets Seats

Furthermore, if the tariff is increased to 25% by the U.S. Government on January 1, we will implement an additional 13% increase on all of the above products for all orders placed for immediate shipment by February 15th.

New list price sheets are included in this mailing.

Thank you for your continued support.
